Vamekh Basharuli
Senior Software Engineer

Born	1992	eMail	vamexinar@gmail.com
Living place	Tbilisi, Georgia	Mobile	+995598463856
		LinkedIn	linkedin.com/in/vamekh

I'm software architect and engineer, good experienced developing (RESTful) microservices, as well as web applications and webpages in agile environment.
My top skills in technology stack are Angular, Java, SpringBoot, SQL, OO JavaScript, pure web technologies. I'm always motivated to learn more.
From my soft skills I would highlight strong problem-solving and analytical as well as good communication and negotiation skills.
